

Germany's roadsurfer Brings Camper Van Freedom to Dallas with New Rental Hub

Munich, Germany (April, 24 2026) -- roadsurfer, the global leader in camper van travel, is hitting the Texas roads with its first camper van and RV rental hub in Dallas, opening on the 6th of March 2026. Conveniently located just minutes from Dallas/Fort Worth International Airport (on 12114 S Pipeline Rd, Suite 200, Fort Worth, TX 76040), the new location offers travelers the perfect starting point to explore the Lone Star State – from vibrant cityscapes to wide-open country roads.

roadsurfer's colorful fleet of brand-new, compact, and fully equipped camper vans combines the freedom of the open road with the comfort of a larger RV. Models accommodate 2-5 people and include a kitchenette (fridge, stove, sink), a bathroom with hot shower and toilet, stationary AC/heat, and dog-friendly options. Each rental comes with free extras such as camping chairs and a table.

With introductory rates starting at \$115/night, unlimited miles, a free second driver, one-way rentals, and frequent specials on their website, roadsurfer makes Texas road-tripping easier and more accessible than ever.

Already a trusted name in Europe, roadsurfer entered North America in 2022 and now operates nine rental stations across the Western USA and Canada.
